## 4-District Boys League Intra-Club Permit (ICP) Rules (Form updated June 2013)

1. Players registered with 4-D League teams or "In-District League" U11 teams, shall be granted permission to play on Permit for a 4-District league team **operated by the same Club**, provided the player has the consent of their registered team, the approval of their Club (including, in the case of U11 & U12, adherence to the Club's technically-based playing up policy) and District authorization, as follows:
  - "In-District League" U11 players may only play on permit for a 4-District U11 team.
  - 4-District U11 players may only play on permit for a U12 team.
  - Players playing in U12 may play on permit for a team playing in a higher caliber U12 section, or in an equal or higher caliber section in U13.
  - Players playing U13 to U18 may play on permit for a team playing in a higher caliber section in their own age Division, or an older age Division in an equal or higher caliber section.
  - Each section within the league (Gold 1, Gold 2, Silver, Bronze, etc.) is a different caliber.
  - A player's age Division is defined by their registered team (not player's actual birth year).
2. Permits will be allowed for league games only, and not for any Cup games. Registered Out-of-District players shall not be eligible to play under permit. Players under suspension shall not be eligible to play under permit.
3. Teams requesting ICP's shall do so only with a 4-D League ICP. The ICP bearing the consent of the releasing team and approval of the District Designate must be completed prior to the game. Each District and / or its Clubs may set additional conditions for approval or may choose not to approve any ICP permits as it deems appropriate. Permits must not be approved if doing so would imperil the player's releasing team's ability to meet its scheduled commitments.
4. A permit is valid only for the team, day and league game stated on the permit application form.
5. From October 1st onwards, any ICP must be accompanied by the player's valid BCSA Photo ID Card.
6. Teams shall not be granted permits for more than three (3) players for any one league game. A player shall not play on a permit more than three (3) times in one season.
7. Any disciplinary action applied from misconduct reported while playing in a game under permit shall be served during future games of their registered team, as per discipline rules.
8. It is the responsibility of the accepting team officials to confirm with their club TD or head coach that this permit complies with any club policy that may exist re: playing up and that it is in the best interest of the player involved.
9. Any team playing a player on a permit that does not conform to the above rules shall be sanctioned as for playing an ineligible player, and have permit privileges withdrawn. Any District approving permits not conforming to the above rules can be sanctioned by withdrawal of permit privileges for its District for up to one year.
